Sir:

VERIFICATION OF A TRANSLATION FOR KOREAN APPLICATION 2003-0031316

I, the below named translator, hereby declare that:

My name and post office address are as stated below;

That I am knowledgeable in the English language and in the Korean language and believe the attached English translation to be a true and complete translation of the below identified document; and

The document for which the attached English translation is being submitted is Korean Patent Application No. 10-2003-0031316 filed in Korea on May 16, 2003 to which the present application claims foreign priority. A certified copy is of record.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Full name of the translator:

Chan-Joo Youn
